Dear brothers and sisters,

We trust that you are all well during this time of global pandemic. We know that many of our brothers and sisters in the world, or their immediate relatives, are suffering the impact of this terrible pandemic. For this reason and, first of all, we unite in prayer for divine intervention and declare the Word of God over our houses: “Although I walk in the valley of the shadow of death, I will not fear any evil, because you will be with me; you go and your quiet will breathe me” (Psalm 23: 4)

As we announced in our last statement, we are working to move forward with the celebration of the 9th WAGC. We can finally announce that Unlimited 2020 will take place in Madrid from March 18th to 20th, 2021.

As you know, this situation is unprecedented in our recent history due to the size of the social and economic impact it is causing. For this reason, from the Organization of the Congress we are making an enormous effort to make possible an event as transversal as ours, in which so many parties intervene providing the different services that have been offered to those registered. At this time, we cannot guarantee a right to the reimbursement of the services and products that have been requested through the website www.unlimited2020.com or through the intermediation of FADE, but after negotiations with the companies involved we can offer you from this moment the possibility of deciding whether you want to make use of your right of deferment. For your consideration, we inform you that, as hosts of the event, the Assemblies of God of Spain have made considerable payments in advance which not all will be recovered, therefore, if you do not plan to attend in March and wish to contribute, your donation will be very helpful and appreciated.

Below, we provide you with the two registration forms that we have prepared, depending on what you deem appropriate regarding the Congress in the month of March, whether it is your adherence to the same services requested at the time, or your waiver of the right to postponement. Each form may be completed individually or by family group. If you made a reservation for a group or delegation, you must provide this form to all the participants, giving them the corresponding form according to their choice.

I request the adherence to the Congress on March 18th to 20th, 2021 with the same services requested in the original registration. CLICK HERE

For the reasons already mentioned above, we cannot guarantee the reimbursement once the final balance of the Congress has been settled which is expected to take place at the end of the event in November, at the earliest.

Note: The last day to send us your adhesion or withdrawal form will be May 31st, 2020.
